

KARL

LED Wall Sconce with Illuminated Numbers

Made-in-USA, wet-location-rated LED wall sconce with up to four laser-cut illuminated numbers, 2" tall, for exterior identification and wayfinding. The illuminated number cutouts are integrated into the fixture face, while top and bottom white acrylic lenses provide up-and-down illumination. Delivers 640 lumens. Constructed from aluminum and available in a wide range of powder-coat finishes.

- Up to four laser-cut address numbers, 2" tall, illuminated from within
- Top and bottom white acrylic lenses — up & down light
- 640 delivered lumens at 8W
- Aluminum body, wet location rated · ETL listed
- Made in USA — specifications can be customized to order
