

ORAN

LED Up/Down Deck Light

Low-voltage up/down deck light with a sculpted wood-grain face cast to complement composite decking. Surface-mounts to deck walls, posts, columns, and stair risers and washes warm light symmetrically up and down the mounting surface. Five decking-matched finishes blend the fixture into popular composite and PVC decking colors.

- Wood-grain face matched to composite decking
- Symmetric up & down vertical light wash
- Five decking-matched finishes
- Wall, post & deck surface mount
- IP65 — wet-rated for outdoor use
- Rugged metal construction · clear PC lens

IP65

LUMEN OUTPUT	50 lm
