MODEL CIP-MR028G-(Dimensions)

FEATURES & BENEFITS

- Sleek and modern profile
- Positive and side lighting, providing more ample illumination
- 48° elevation luminous design for more uniform illumination
- Simulate natural ecological lighting and natural lighting in daily scenes, restore makeup, and display colors without color difference.
- Removable assembly structure for easy installation and replacement of components
- Lead-free, copper-free, corrosion-resistant Halo™ Mirror glass
- Lightweight, waterproof, dustproof, and rust proof space aluminum material edging
- Greater illuminance with half the power consumption of traditional LED mirrors
- Forward-phase dimming technology
- Energy efficient
- 3-year limited warranty
- Fast lead times

LIGHTING SPECIFICATIONS

- Natural-looking LED light color
- CRI: 90+
- CCT: 3000K - 6000K or 3CCT
- Watt: 6-7 W/ft, 20-23 W/m
- Calculated L70 140,000-hour LED lifespan
- Built-in EMX diffusers

DESCRIPTION

When you need to use the mirror to apply makeup or check on blemishes, then you need to place the mirror where it receives good light.

This mirror offers remarkably accurate color rendering, adjustable color temperature and bright, consistent output that to solve this problem.

IP Rated: IP44	Input Voltage: 120-277v AC 50/60 Hz
Watt: 20-23W/m	Light Source: LED SMD Chips

*Customized Also Available

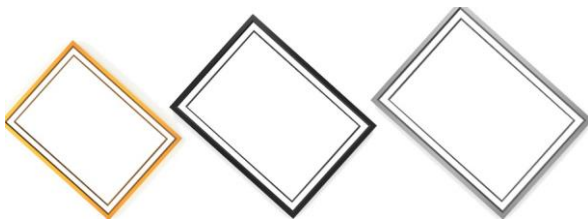

INTELLIGENT OPTIONS

- Defogger
- Intelligent voice control
- Bluetooth speaker
- Dimming
- Switch
- Time display

SAFETY SPECIFICATIONS

- Entire assembly meets UL/cUL/ETL standards
- International certifications
- Safety-backed mirror
