

AVI B 52-INCH CEILING FAN

52 in. 5-blade ceiling fan with Pull chain

AVIB-52-BN-DB

Project: _____ Location: _____

Date: _____ Part #: _____

Notes: _____

Description

AVI 52" 5-blade ceiling fan with a high-efficiency AC motor and an optional light kit, delivering reliable, energy-efficient performance. Its timeless design complements any interior, while the Pull Chain control and reverse function ensure year-round comfort.

Specifications

- 52" ceiling fan with five MDF blades in Brushed Nickel and Dark Wood finish.
- 3-speed reversible motor with 5000 CFM airflow for year-round comfort.
- Standard pull chain control; optional remote and wall controls available.
- ETLus listed for dry locations.
- Light kit adaptable

Performance

- Finish: Brushed Nickel Housing / Dark Brown Blades
- Motor: 3 Speed Reversible
- High RPM: 180
- Low RPM: 90
- CFM: 2000/3500/5000
- Input Voltage: 120V
- Control: Pull Chain
- 2xE26 Bowl Light Kit (-LB2E Included)
- Optional Remote Control (sold separately)
- Optional Wall Control (sold separately)
- Energy Star Certified
- Labels: ETLus Listed for Dry location

Dimensions

- Fan Diameter: 52"
- Fan Height: 12-5/8"
- Glass Width: 11"
- Glass Height: 11-7/8"
