Item No.

CIP – 2216 N P – 4x8mm 6w – 240 24 – W

Describtion

Simply divide into two categories - horizontal & vertical bending

40mm-300mm bending radius. R/G/B/W/ multiple color

and digital colors. Standard 24VDC, 12VDC option. The material

of housing and body are made by silicone material which is special

designed used in harsh environment. Various shapes (flat, dome or

rounded surfaces) are available in this series, and they are also

waterproof (Ip67), ideal for lighting up interior and exterior.

Beam angle

115.7°

It is feasible to cut along the black point on the side of led strip. Do not cut optionally to avoid damage to led strip..
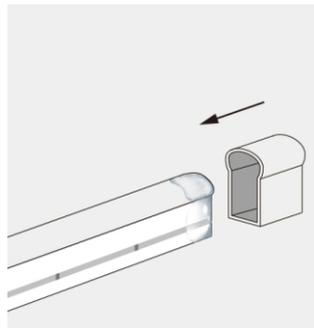

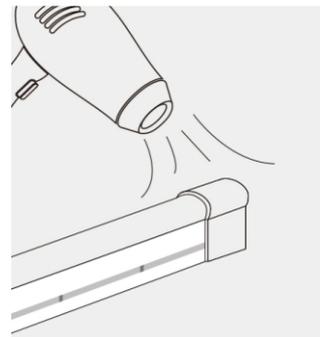

Cut the appropriate place
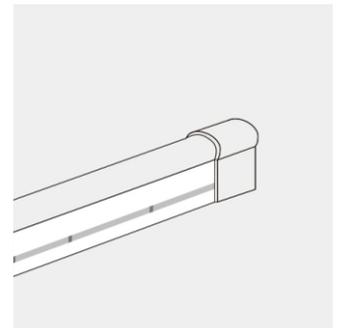

Finished the cutting

Coat the section with glue uniformly after cutting

Insert the section into the plug according to direction of arrow

Dry the plug with hot wind or natural wind until make sure the installation is firm

The effect of finished plug installation
